

Wireless Device Employee Agreement

Girbau North America

iPhone

Name of Employee: _____

Phone Number: _____

I understand that I have the responsibility of keeping this company owned iPhone in resellable working order and agree to accept that responsibility. Should these items be damaged, lost, or stolen, it is my responsibility to replace or repair them immediately at my own expense.

I would like Girbau North America to select a phone number for me.

I would like to port my personal phone number to this phone. My phone number is: _____

I understand if I choose to bring my personal phone number over to the business account, the phone number will remain on the business account should my employment end. Initial: _____

Included in my monthly service is as follows:

- unlimited domestic texting
- unlimited shared domestic data*

** Any month that you use over 5 GB of data you will need to send a written explanation with screen shots of your cellular usage by app. Any personal usage will be billed back at a rate of \$10/GB. International travel we will add on a standard Verizon wireless TravelPass which will be defaulted back to our domestic program. Visit verizonwireless.com to view travelpass countries. Any overage will be responsibility of employee."*

Employee Signature: _____

Date: _____

**Next Upgrade Date: TBD

***At the time of the next upgrade the device will be traded in. If the trade in value is not received you will be responsible to pay for the trade in value of the device.*

Please provide your Apple ID and password for company security purposes.

Username: _____

Password: _____

If your apple ID user information does not work when returning the device you will be billed back the total cost of the device.

This agreement is subject to interruption, change or cancellation for any reason at any time by the sole discretion of Girbau North America, Inc. See the company policy for further details.
