EMERGENCY

GENERAL RULES

Access to the facilities without an identification card is not permitted.
This is supplied under surveillance and must be returned upon departure.

Circulation speed limit in the facilities of 20 km/h.

Smoking is not allowed inside the GIRBAU premises.

Respect at all times the instructions of the person responsible for the area.

You cannot move around the company without an authorized companion.

Keep evacuation routes and access to fire systems clear.

Keep the workplace clean and tidy.

Photography or filming of the facilities is not permitted without express permission.

Necessary Work permit for special work (height, fire, confined spaces, etc.)

Do not use GIRBAU equipment without prior authorization

In the event of an incident, this must be reported to the facility staff as soon as possible.

Do not access the process area while handling the product. If it is strictly necessary to access to observe the product, enter with the protections and indications established for the process. Avoid transmission of the product outside the room. In case of pregnancy, inform the Prevention Service (EHS).

IDENTIFICATION OF OCCUPATIONAL RISKS
SAFETY, HEALTH AND ENVIRONMENTAL STANDARDS
 Crta. De Manlleu, Km 1. Puerta 1 y 2. 08500 Vic. Barcelona-Spain Tel. 937027000 / girbau@girbau.es

ENVIRONMENT

The waste generated must be properly segregated and deposited in the existing containers at the facilities.

If you generate special liquid or solid waste, request instructions for its correct management.

Make reasonable use and consumption of water, energy, etc.

Never pour liquid substances of any kind into the sewer, toilet or plant sinks. If waste is generated, your person in charge at GIRBAU will tell you how to proceed.

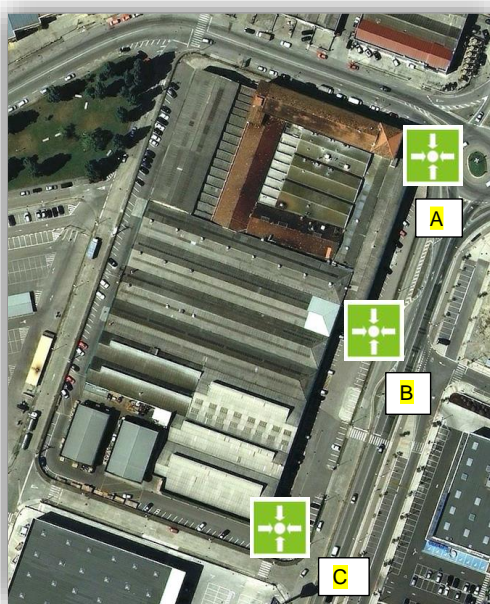

EMERGENCIES

There is an Emergency Plan in case of fire.

Emergency warning **Ext. 9 - 938861100** or **Alarm Button** trip.

EVACUATION PROCEDURE

- Stay calm and vacate the premises.
- Do not run.
- Do not use elevators or freight elevators.
- Use extreme caution when evacuating via stairs.
- Follow instructions from the evacuation team.
- Do not stop to pick up personal items, or turn back.
- Go to the meeting point.
- Give your name and company to the evacuation team.

FAILURE TO COMPLY WITH THE INDICATED RULES MAY BE REASON FOR EXPULSION AND PREVENT ENTRY IN THE FUTURE, REGARDLESS OF THE RESPONSIBILITIES YOU MAY INCUR.

DATA PROTECTION:

In accordance with current legislation on data protection, we inform you that your personal data is collected for the purpose of controlling access and security of the building or, where appropriate, to comply with the coordination of business activities. You can exercise your rights by sending an email to dataprotection@girbau.com and access more information through the link <https://www.girbau.cat/gdpr>

The undersigned agrees to read and comply with the SAFETY RULES indicated on the back.
