

Washer Sizing Guide for Fire Departments

The superior programmability of Continental Girbau washer-extractors ensures that high-tech fabrics in turnout gear shells and liners are properly cleaned, while preserving fabric integrity. Visit continentalgirbau.com to learn how Gear Washer and Dryers can help better protect your fire fighters.

Gear is expensive. Clean it right to make it last!

Wash up to **2 sets of gear**

GS023 (softmount) EH020 (softmount) REM025 (hardmount)

Wash up to **3 sets of gear**
