

Girbau North America welcomes Rodolfo Salazar as technical service apprentice

Oshkosh, Wis. – May 20, 2025 – Girbau North America (GNA) recently welcomed Rudy Salazar, of Berlin, Wis., as technical service apprentice.

In this role, Salazar supports GNA's customers and distributor partners by diagnosing, troubleshooting and repairing commercial laundry equipment via phone and hands-on service. He brings four years of experience as a control box builder and washer assembler.

"Rudy brings a strong work ethic, mechanical aptitude, and a real eagerness to learn," said Shannon Rose, GNA's technical services & training manager. "He's already made a positive impact with his hands-on approach and willingness to take on new challenges. We're excited to have him on the team."

"I'm very happy to be working with GNA," said Salazar. "I have great co-workers who teach me something new every day. It's a supportive environment and a great place to grow."
